### **Aim & Objective:**

National Maths Day is celebrated to mark the birth anniversary of the mathematics genius Srinivasa Ramanujan and his contribution to the field of mathematics. Every year, 22 December is observed as National Mathematics Day to mark the birth anniversary of Srinivasa Ramanujan, a renowned Indian mathematician.

### **Description:**

With the encouragement and support from Management, Principal sir, HOD H&S Department National Mathematics Day was celebrated on 22nd December 2023 at 2:30P M at Block-1 Auditorium, CMR Engineering College.

Dr. A.S Reddy Principal gave a keynote address and spoke about the importance of National Mathematics Day. There were about 210 students with 18 faculty members in the celebration of National Mathematics Day

### **Benefits:**

Mathematics provides an effective way of building mental discipline and encourages logical reasoning and mental rigor.

The main objective behind the celebration is to raise awareness among the students about the importance of mathematics for the development of humanity. We can't ignore that several initiatives are taken to motivate, enthuse, and inculcate a positive attitude towards learning mathematics among the younger generation of the country.
