

### SELF MANAGEMENT FOR SUCCESS (SIX MODULES) A TRAINING COURSE FOR BTECH 1<sup>ST</sup> YEAR REGISTERED STUDENTS.

CMR college has signed an MOU with ISCKON for BTECH 1<sup>ST</sup> YEAR registered students. ISCKON believes Lord Krishna's teachings, which helped King Arjuna to fight for Dharma, later formed into BHAGAVAD GITA. It is about understanding how we can overcome difficulty, self-doubt, and ultimately live a life of truth and purpose. The Bhagavad Gita is entirely representational and highly symbolic. There is no real battlefield or fight to be won; the entire text is a representation of the battle that goes on in our mind. As CMR College has signed an MOU with ISCKON for BTECH 1<sup>st</sup> year for registered students. This course SELF MANAGEMENT FOR SUCCESS has six modules.
