DEPARTMENT OF CSE-DATA SCIENCE

Title of Event: ESSAY WRITING COMPETITION

Date of Event : 13/9/24

Student Participants: 50

Venue: CMREC Central Library

Coordinator : Mrs P.Sandhya Reddy

Head of Department: Dr .M .Laxmiah

Topic: Driving Sustainability

with Engineering Solutions Embracing the

Latest AI Driven Technologies

Description:

Artificial Intelligence (AI) has been a buzzword in the tech industry for quite some time now. Proponents argue that it has enormous potential to drive sustainable development while benefiting numerous industries in the process. The concept of sustainability goes hand in hand with AI, as both strive to enhance efficiency, optimize resources, and reduce human errors. This article aims to explore the potential impact of AI on sustainable development and discuss the various ways industries can benefit from AI-driven solutions. Essay Writing competition was held on 13/9/24 by (Institute of Engineers(India)(IEI) . The duration of competition was one hour. All the students actively participated in the competition with full enthusiasm. More than 50 students participated in this competition. They shared their respected opinion on the topic and the final year students showed their interest by citing relevant references and examples.

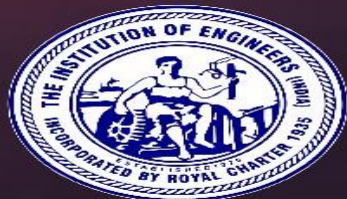

Theme: Driving Sustainability with Engineering
Solutions Embracing the Latest AI Driven Technologies
