

Report on Library Orientation Day

Name of the Event: Library Orientation day

Date: 10 September 2025

Venue: CMREC Block -I auditorium.

Resource Person: Dr.D.Rajeshwar, Librarian, Secretary-NDLI club.

The Central Library of CMR Engineering College conducted an orientation program for first-year students to familiarize them with its facilities and services. The session was led by **Dr. D. Rajeshwar**, who explained in detail how students can make the best use of the library.

He introduced the wide range of **collections**, including textbooks, reference books, competitive exam materials, periodicals, e-books, e-journals, and video lessons. The students were informed about **circulation services**, such as borrowing books and CDs/DVDs, as well as the additional lending facility for merit students. He also explained the availability of **previous question papers, digital library access, OPAC (online catalogue), Wi-Fi, reprography services, and mobile alerts**.

Dr. Rajeshwar highlighted the library's **digital resources** like IEEE Xplore, DELNET, and British Council Digital Library, which provide students with global research and learning material. He encouraged students to use these resources effectively for their academics, projects, and competitive exams.

The orientation helped students understand the importance of the library and guided them on how to utilize its **world-class infrastructure and technological facilities** for their academic and professional growth.
