Name of the Event: Interactive Session on Universal Human Values

Date of Event: 26th–27th September 2025

Venue: Block-1 Auditorium,

Resource Person: Dr. Madhusudhan Patlola, Associate Professor of Chemistry, BVRIT–Narsapur

The Department of Humanities and Sciences, CMR Engineering College, organized an **Interactive Session on Universal Human Values (UHV-I)** on **26th–27th September 2025** as a part of the AICTE–Student Induction Program (SIP). The session was held at the **Block-1 Auditorium** and witnessed enthusiastic participation from B.Tech first–year students.

The resource person for the program was **Dr. Madhusudhan Patlola**, Associate Professor of Chemistry, BVRIT–Narsapur, who holds multiple academic qualifications including **PhD, MSc (Chemistry), and MSc (Environmental Science)**. His extensive academic background and years of experience in teaching enriched the session.

Dr. Patlola delivered an insightful talk on the significance of **Universal Human Values** in students' personal, academic, and professional lives. He emphasized the importance of self-awareness, empathy, responsibility, integrity, and constructive human relationships. The session highlighted how value-based learning builds a strong foundation for holistic development and moral decision-making.

The interactive approach adopted by the speaker helped students openly share thoughts and engage in discussions. Real-life examples, reflective questions, and scenario-based activities helped students connect deeply with the concepts.

The program was coordinated by the **Department of Humanities and Sciences**, ensuring smooth organization. Faculty members and first-year students participated actively, contributing to the success of the event.

Overall, the session proved highly meaningful for students, reinforcing the importance of value-based education and guiding them toward becoming responsible, compassionate, and ethical individuals.
