DEPARTMENT OF HUMANITIES AND SCIENCES

Name of the Event: I am Neo Orientation day

Date of Event: 13/09/2025

Venue: Block-1 Auditorium, CMREC

The I Am Neo Orientation Day was successfully conducted under the guidance of Ms. Manasa, Program Manager, who led the session with great enthusiasm and clarity. The orientation aimed at introducing students to the opportunities, resources, and learning platforms provided by *I Am Neo*, designed to enhance technical skills, employability, and career readiness.

Ms. Manasa explained the objectives of the program, emphasizing how it bridges the gap between academic learning and industry requirements. She highlighted the various modules, including coding practice, mock assessments, placement preparation, and industry-relevant projects that students will be able to access through the platform.

The session was interactive, with students actively engaging and clarifying their doubts about the learning paths and assessments. Ms. Manasa also shared success stories of students who benefited from the platform, motivating the participants to make the most of the resources provided.

Overall, the orientation created awareness and excitement among students, giving them confidence to begin their learning journey with *I Am Neo*.
