Proceedings of the Meeting

The meeting of the SC/ST Cell, CMR Engineering College, was conducted for the academic year 2026–27 under the chairmanship of the Chairperson of the SC/ST Cell Dr.G.Sumalatha at Principal office board room at 2.00pm. The meeting commenced with a welcome address and an overview of the objectives and responsibilities of the Cell.

The members discussed the need to ensure a **safe, inclusive, equitable and supportive academic environment** for all SC/ST students. It was emphasized that students should be made aware of the academic, financial and welfare support mechanisms available to them.

The Coordinator informed the members about the importance of disseminating information regarding **Government scholarships, fee reimbursement schemes and other educational assistance programmes** to eligible students. It was decided to provide timely guidance to students regarding application procedures, documentation and deadlines.

The members discussed various **funding schemes offered by DST, AICTE, UGC, and DRDO** for faculty members and students. The members also emphasized the importance of **professional certifications**

and encouraged faculty and students to pursue relevant certification courses to enhance their knowledge, skills, and career opportunities.

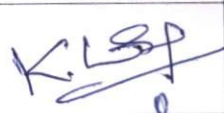

The members discussed various **placement and internship opportunities** available for SC/ST students and emphasized the importance of encouraging and supporting them in accessing suitable career and industry opportunities.

The meeting also discussed strengthening **mentoring, academic guidance and counselling support** for students who may require additional assistance in their studies. Faculty members were encouraged to guide students regarding academic progress, attendance, examinations, career opportunities and higher education.

The members emphasized the importance of conducting awareness programmes on **constitutional values, equality, social justice, human dignity, rights and responsibilities**, and maintaining a campus environment free from discrimination and harassment.

It was also decided to maintain an effective **grievance-redressal mechanism** so that students can confidentially communicate their concerns to the Cell. All grievances received will be handled appropriately and in accordance with applicable institutional and statutory guidelines.
