Smart India Hackathon (SIH) is a premier nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life. Launched to foster a culture of innovation and practical problem-solving, SIH provides a dynamic platform for students to develop and showcase their creative solutions to real-world problems. By encouraging participants to think critically and innovatively, the hackathon aims to bridge the gap between academic knowledge and practical applications.

CMR Engineering College, Hyderabad, successfully conducted its Student Internal Hackathon for Smart India Hackathon (SIH-2026) on 11th–12th September 2026 at the CMREC Block-1 Auditorium. The two-day event served as a platform for young innovators to showcase creativity, problem-solving skills, and technological solutions to real-world challenges.

The hackathon received an overwhelming response with 178 teams competing across 17 themes.

Themes Information

A total of 1068 students participated, including 590 boys and 430 girls, reflecting both diversity and enthusiasm.

Day 1(11th September 2026) – Inaugural Session

Shri Ch. Bhoopal Reddy garu, Honorable Vice-Chairman, CMREC, in his speech, emphasized the importance of innovation-driven education and teamwork:

“Hackathons foster collaboration, critical thinking, and leadership qualities among students. I encourage every participant to focus on teamwork and discipline while striving to deliver impactful solutions for real-world problems.”

Shri Ch. Srisailam Reddy garu, Honorable Secretary & Correspondent, in his address, motivated students to see hackathons as life-changing opportunities:

“These platforms transform students into innovators and entrepreneurs. I urge participants to use this opportunity to create solutions that can serve society at large.”

Dr. Maram Ashok, Principal, encouraged students to embrace innovation as the heartbeat of engineering education.

Dr. Sheo Kumar, Convener and HOD of CSE, highlighted the purpose of internal hackathons as bridges between classroom learning and real-world application.

The Chief Guest, Mr. Sreedhar Gade, Vice President Engineering, Freshworks inspired students to build scalable, user-focused solutions.

Day 2 (12th September 2026) – Valedictory Ceremony

The valedictory session was graced by Mr. Dharmender Kumar., Senior Project manager, Infosys Pvt Services Ltd., as Chief Guest. Applauding the students’ efforts, he remarked: “Innovation is not just about technology—it is about solving problems that matter to society. I am impressed by the creativity of CMREC students and urge them to never stop experimenting and to treat failures as stepping stones to success.”

The hackathon concluded with recognition of the best teams who will now represent CMREC at the national-level Smart India Hackathon 2026. Faculty mentors and jury members praised the dedication and innovative spirit of the participants. With this event, CMR Engineering College reaffirmed its commitment to nurturing innovation, entrepreneurship, and technological excellence, inspiring students to truly “Explore to Invent”.

AWARENESS SESSION OF INTERNAL SMART INDIA HACKATHON 2026

CMR Engineering College is inculcate innovation culture in the campus among the students by initiated the Smart India Hackathon (SIH-2026) awareness campaign under the leadership of Dr. Maram Ashok, Principal, Dr. Sheo Kumar, HOD of CSE, who has been appointed as the Single Point of Contact (SPOC). The campaign was coordinated by a dedicated team comprising Dr. Mrutyunjay Yalawar (CSE), Mr. Sai Bhusan (CSE), Mr. V. Kiran Kumar (CSE), Mrs. G. Mrunalini (CSE-AI&ML), Dr. P. Prashanthi (CSE-Data Science), Dr. B. Papachary (ECE), and Mrs. C. Madhuri (IT), along with student coordinators Suban Rao (CSE), Patel Balveer (CSE), B. Abhinay (CSE-AI&ML), Sai raga (CSE-DS), S. Sharath (ECE). As part of the initiative, the coordinators visited classrooms across all departments to sensitize students about the significance of SIH-2026 and motivated them to participate. Further, the campaign was actively promoted on digital platforms including Twitter, YouTube, and Face book, which generated an overwhelming response from students across disciplines. The impact of this collective effort was remarkable, with 178 teams were registered and a total of 1,068 students enthusiastically participated in this event.
