

InnovateX 2026 Poster Presentation Competition Report

SESSION DETAILS:	
Title of the Session:	InnovateX 2026 Poster Presentation Competition
Date Month & Year:	25 July 2026
Duration:	6 Hours
Mode:	Offline
Venue:	CMR Engineering College , E-301 & E-302
Activity Category:	IIC Calendar Activity
Objective of the Activity:	Encourage innovative thinking and creative problem-solving among students. Promote entrepreneurship, startup culture, and design thinking. Showcase students' technical knowledge, research capabilities, and innovative solutions.
Activity Led By:	Innovation, Incubation & Entrepreneurship Cell (IIEC)
Theme:	Innovation, Incubation & Design Thinking
Expert Speaker Details	Name: Dr.Ediga Lingappa
	Designation: Associate Professor
	Organization: MLR Institute of Technology & Management
	Brief about the Expert: Coordinators of IIC
Brief Description of the Activity: 200words	The InnovateX 2026 Poster Presentation Competition was organized by the IIEC to promote innovation, entrepreneurship and design thinking among B.Tech students. Participants presented posters and short pitches on themes such as sustainable innovation, AI and emerging technologies, healthcare innovation, social impact and startup ideas. The event provided a platform to showcase creative solutions, receive expert feedback and develop communication, research and problem-solving skills. The competition encouraged interdisciplinary collaboration and identified promising projects for future incubation support.
Participants Description	
Total No. of Students participation:	68
Total No. of Faculty Participation:	20
Total No. of Outside Participation:	8
Key Highlights: 8 Points	Innovative solutions addressing real-world problems were showcased. Students demonstrated creativity, technical knowledge and entrepreneurial thinking.

	Interactive poster and pitch sessions improved presentation skills. Experts provided valuable feedback and mentoring insights. Potential startup and incubation-ready ideas were identified. Interdisciplinary participation promoted collaborative learning. The event strengthened the campus innovation ecosystem.
Outcome of the Activity:	• Enhanced students' innovative thinking and encouraged the development of creative solutions for real-world problems. • Increased awareness of entrepreneurship, startup culture, and design thinking among participants. • Improved research, analytical, communication, and presentation skills through poster presentations and pitch sessions. • Facilitated interdisciplinary collaboration and exchange of ideas among students from different domains. • Identified innovative projects and startup ideas with potential for incubation and further development. • Strengthened industry-academia interaction through feedback from experts, entrepreneurs, and judges. • Increased student participation in innovation and entrepreneurship-related activities on campus. • Contributed to building a vibrant innovation ecosystem and recognizing student creativity
Feedback:	The event received positive feedback from participants and faculty members. Students appreciated the opportunity to present innovative ideas, interact with experts and gain exposure to entrepreneurship. The competition enhanced confidence, communication abilities and awareness of startup opportunities while encouraging practical problem solving.
Organizing Team Members Details:	• Dr. Sayyad Rasheeduddin – Coordinator • Dr. Munawar – Coordinator • Mr. Sridhar – Co-Coordinator • Mr. Sampath Kumar – Co-Coordinator • Mrs. Sushma Priya Darsini – Co-Coordinator • Dr. Chinna Maddaiah – Co-Coordinator

MSME IDEA HACKATHON 6.0
 STEP-BY-STEP PARTICIPATION PROCESS

 Coordinator: Dr. Sayyad Rasheeduddin
 CSE (AI & ML) Department

STEP 1
VISIT THE PORTAL
 Click on
<https://my.msme.gov.in/imc>

STEP 2
CHOOSE THE MENU
 Click on
 "JOIN MSME IDEA HACKATHON 6.0"

STEP 3
REGISTRATION
 Register yourself / your team
 with valid details

STEP 4
SUBMIT IDEA
 Select "APPLY"
 and submit your innovative idea

STEP 5
FILL ALL DETAILS & SUBMIT
 Fill all required details carefully
 and click on SUBMIT

“ INNOVATION distinguishes between a LEADER and a FOLLOWER. INNOVATION is the FUEL that drives PROGRESS and creates IMPACT. ”

– Innovate Today.
 Inspire Tomorrow.

THINK • INNOVATE • IMPLEMENT • IMPACT
 Let your ideas solve real-world problems
 and create a better tomorrow!
 Be the Change. Build the Future.
