

DEPARTMENT OF HUMANITIES AND SCIENCES

REPORT ON DEPARTMENTAL FAMILIARIZATION – CSE

Event: Departmental Familiarization – Computer Science & Engineering

Date: 13 August 2026

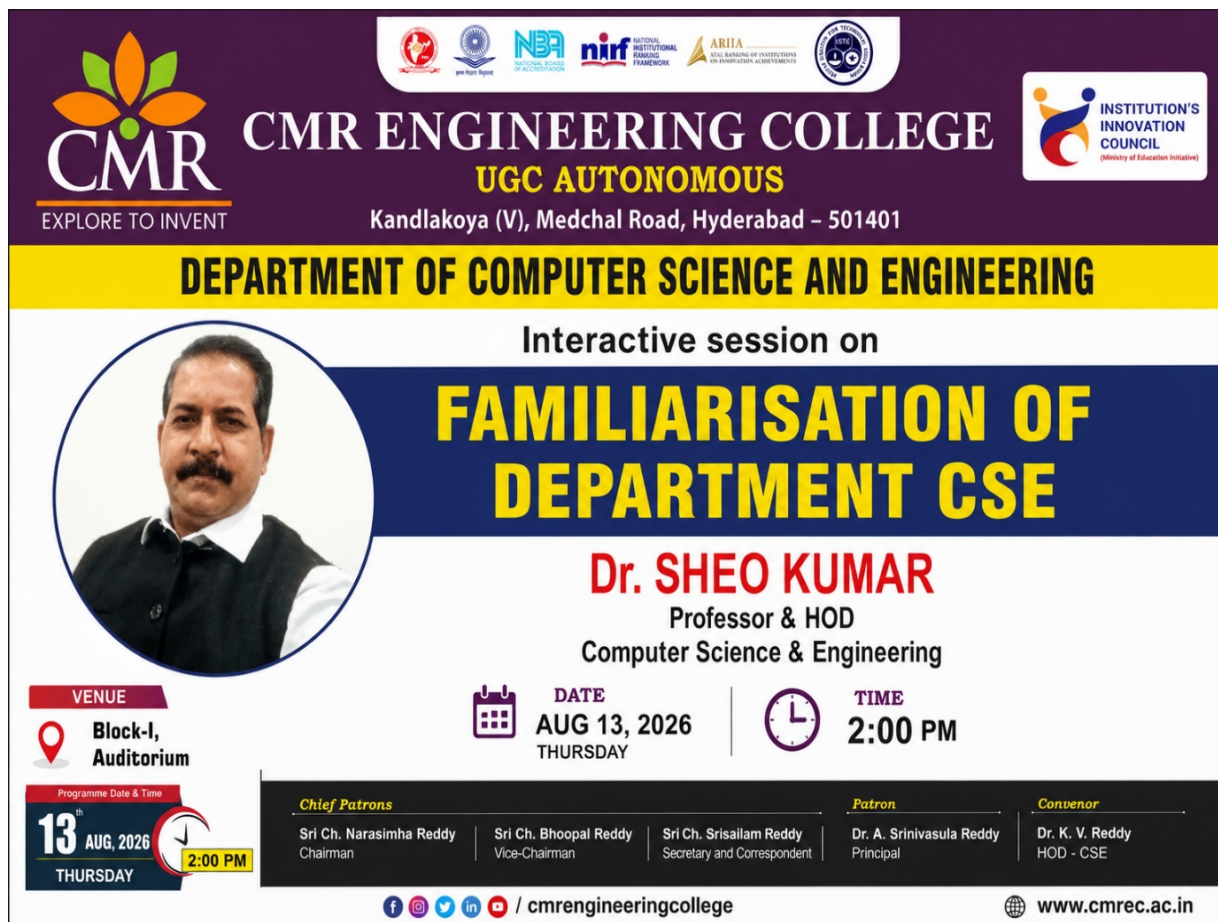

Time: 2:00 PM

Venue: Block-I Auditorium

Participants: B.Tech First-Year Students

Resource Person: Dr. Sheo Kumar, Professor & Head, Department of Computer Science & Engineering

As part of the **B.Tech First-Year Induction Programme 2026–27**, a **Departmental Familiarization Session on Computer Science and Engineering (CSE)** was conducted on **13 August 2026 at 2:00 PM** at the **Block-I Auditorium**. The session was organized to familiarize the newly admitted students with the CSE department, its academic structure, faculty, curriculum, and future opportunities.

The poster is for an event at CMR Engineering College, UGC Autonomous, located at Kandlakoya (V), Medchal Road, Hyderabad - 501401. The event is titled 'Interactive session on FAMILIARISATION OF DEPARTMENT CSE' and is led by Dr. SHEO KUMAR, Professor & HOD of Computer Science & Engineering. The session is held on Thursday, August 13, 2026, at 2:00 PM in Block-I Auditorium. The poster features the CMR logo, various accreditation logos (AICTE, NBA, NAAC, NIRF, ARIIA, ISO 9001), and the Institution's Innovation Council logo. It also lists the Chief Patrons (Sri Ch. Narasimha Reddy, Sri Ch. Bhoopal Reddy, Sri Ch. Srisailem Reddy), the Patron (Dr. A. Srinivasula Reddy), and the Convenor (Dr. K. V. Reddy). Social media icons and the college website are at the bottom.

The session began with the **introduction of the CSE faculty members handling the first-year courses**, enabling students to become familiar with their teachers and understand the academic support available to them.

Dr. Sheo Kumar, Professor & Head, Department of CSE, addressed the students and provided an overview of the department, its academic environment, and the scope of Computer Science and Engineering. He explained the importance of building strong fundamentals during the first year and encouraged students to actively engage in their learning journey.

Mr. Uma Visveshwar and **Dr. Suresh Babu** also shared valuable inputs with the students. They explained the **course structure, important concepts, subjects, and the learning expectations** associated with the programme. Their interaction helped students gain a better understanding of how the courses are structured and how the concepts learned during the initial years contribute to their higher-level studies and professional development.

The faculty members also highlighted the importance of **programming skills, conceptual understanding, problem-solving abilities, continuous learning, and active participation in academic and co-curricular activities**. Students were encouraged to make effective use of the opportunities provided by the department and to gradually develop the technical skills required for successful careers in the IT and technology sectors.

The session provided the first-year students with a clear understanding of the **CSE department, faculty, curriculum, course structure, and academic expectations**. It also helped students feel more comfortable and connected with their department as they began their engineering journey.

The programme concluded on a positive note, with students gaining **greater clarity, confidence, and enthusiasm** about their chosen field of Computer Science and Engineering.
