

DEPARTMENT OF HUMANITIES AND SCIENCES

REPORT ON ECE DEPARTMENT ORIENTATION

Event: Departmental Familiarization –Electronic Communication and Engineering (ECE)

Date: 14 August 2026

Time: 10:00 AM

Venue: Block-I Auditorium

Participants: B.Tech First-Year ECE Students

Resource Person: Dr. Suman Mishra, Professor & Head, Department of Electronic and Communication Engineering.

As part of the **B.Tech First-Year Induction Programme 2026–27**, an orientation session on the **Department of Electronics and Communication Engineering (ECE)** was conducted for the newly admitted students.

The poster is a promotional graphic for an orientation session. It features the CMR Engineering College logo at the top left, followed by accreditation logos (NBA, NIRF, ARIIA, ISO). The main title 'CMR ENGINEERING COLLEGE UGC AUTONOMOUS' is prominently displayed. Below this, the location 'Kandlakoya (V), Medchal Road, Hyderabad – 501401' is given. The event is titled 'B.TECH FIRST YEAR INDUCTION PROGRAMME 2026-27' and 'ORIENTATION OF ECE DEPARTMENT'. A descriptive text box states that an orientation session was conducted for newly admitted first-year students, providing an overview of the department, course structure, core concepts, learning expectations, and future opportunities. Below this, five icons represent the session's topics: Introduction to ECE Department & Faculty, Course Structure & Important Concepts, Emerging Areas & Career Opportunities, Learning Expectations & Skill Development, and Interaction & Student Engagement. On the right, a photo of Dr. Suman Mishra, HOD of the ECE Department, is shown. The bottom section provides the date (12th AUG 2026, Wednesday), time (10:30 AM – 12:00 PM), and venue (Block - I Auditorium). A motivational tagline 'Unleash Your Potential... Engineer Your Future!' is at the bottom right, and a footer contains the words 'LEARN | INNOVATE | EXCEL | LEAD'.

Unleash Your Potential... Engineer Your Future!
LEARN | INNOVATE | EXCEL | LEAD

The session was led by **Dr. Suman Mishra, Head of the ECE Department**, who introduced students to the department, its faculty, academic environment, and the scope of Electronics and Communication Engineering.

The students were familiarized with the **course structure, core subjects, important concepts, learning expectations, and skill development opportunities**. The session also highlighted

the relevance of ECE in emerging technologies and the diverse career opportunities available to students in the field.

The interaction helped students understand the academic journey ahead and encouraged them to focus on developing **strong fundamentals, technical skills, practical knowledge, and problem-solving abilities**. Students were also encouraged to actively participate in departmental activities and make effective use of the learning opportunities available to them.

The orientation provided first-year students with a clear understanding of the **ECE department, curriculum, academic expectations, and future prospects**, helping them begin their engineering journey with confidence and enthusiasm.
