Name of the Event: “Eco-Craft – Ganesh Idol Creation & Contribution”

Date: 12/09/2026

Time: 1:00 PM – 4:00 PM

Venue: Block-A, Room No. A210

All students are hereby informed that the **Aakriti Club, CMR Engineering College** is organizing “**Eco-Craft – Ganesh Idol Creation & Contribution**” as part of its initiative to promote **eco-friendly celebrations and environmental awareness**.

Students are encouraged to participate in the activity by creating **eco-friendly clay Ganesh idols** and contributing to the initiative. The programme aims to encourage **creativity, environmental responsibility, and sustainable festive practices**.

All interested students are requested to participate actively and make the event a meaningful contribution towards a **Green Campus and Clean Environment**.

REPORT ON ECO-FRIENDLY GANESH IDOL CREATION AND CONTRIBUTION

Organized by: Aakriti Nature Club, CMR Engineering College

Date: 12 September 2026

Time: 1:00 PM – 4:00 PM

Venue: Block-A, Room No. A210

The Aakriti Nature Club of CMR Engineering College organized an **Eco-Friendly Ganesh Idol Making & Distribution** programme on 12 September 2026 to promote environmentally responsible festival celebrations.

The programme focused on creating **eco-friendly Ganesh idols** using sustainable materials and sensitizing students to the environmental impact of conventional idols. Students actively participated in the hands-on idol-making activity, demonstrating creativity, teamwork, and environmental awareness.

The handmade eco-friendly idols were subsequently **distributed** as part of the initiative to encourage sustainable celebration practices and spread the message of environmental conservation.

The programme successfully promoted the concept of **responsible celebration while preserving nature** and strengthened students' commitment towards a greener and cleaner environment.
